## **PLDW Partner Brian J. Lamoureux to Present “Cyberbullying and Technology: What Parents Need to Know” at St. Rose of Lima School Parents Group**

Providence, RI – November 3, 2014 – Pannone Lopes Devereaux & West LLC ([PLDW](http://pldw.com)) Partner Brian J. Lamoureux, a national authority on social media law and frequent guest speaker and broadcast commentator on the subject, will lead a discussion on “Cyberbullying and Technology: What Parents Need to Know” at his *alma mater*, St. Rose of Lima School, 200 Brentwood Avenue in Warwick on Wednesday, Nov. 18, 2015, at 5:45 pm. Attorney Lamoureux will explain the latest social networking apps and technology children are using and open a dialogue about the harmful consequences of cyberbullying. The highly interactive workshop will also cover how parents may be held responsible for what their children post online and practical tips parents can use to help keep their children safe online.

“Children suffer the damaging effects of online bullying and threats at crisis levels today. Parents need to know that this epidemic goes beyond familiar social media sites like Facebook or Twitter,” said Attorney Lamoureux. “New and dangerous apps and invisible technology are pervasive in the digital space. Unfortunately, the mistakes that children are making in this area are serious and permanent. Parents need to stay informed and investigate their children’s online activity to ensure they are safe and protected.”
