## **PLDW Partner Steven A. Torres to Present Best Practices for “Making the Case for Conversion” at Renewable Energy from Waste Conference**

Boston, MA – November 14, 2014 – Pannone Lopes Devereaux & West LLC ([PLDW](#)) Partner Steven A. Torres, a member of the firm’s Municipal Infrastructure Team and a leading authority on cutting edge projects in the areas of public-private partnerships (P3), solid waste, advance bio-mass technologies and renewable energy, will join a panel of experts at the Renewable Energy From Waste Conference for a discussion on “Making the Case for Conversion” being held November 17-19, 2014 in San Jose, CA. Attorney Torres’ remarks will include an overview of best practice strategies to gain public and political support that can help move projects forward. Attorney Torres is scheduled to speak on Tuesday, Nov. 18, from 10:45 a.m. to 12:15 p.m. For further information on the event, visit Renewable Energy from Waste (REW) Conference.

Attorney Torres is a highly skilled and experienced municipal construction and public-private partnership project advisor and legal counsel who has managed in excess of \$1 billion in project value in the areas of utilities, water and wastewater, transportation, building construction and renewable energy. He concentrates his practice on advising clients on a wide range of public procurement and contracting issues in the areas of water, wastewater, solid waste, building construction, environmental permitting, construction and environmental litigation and renewable energy. Attorney Torres is Vice-President of the Design Build Institute of America (DBIA) North East Chapter, and a member of DBIA's National Water Markets Committee. He also serves as legal counsel to the Waste Conversion Technology Association. He is a frequent lecturer at regional, national and international professional trade associations, and is a published author in the areas of municipal law, constitutional law, labor law, international law and construction and renewable energy.
