**PLDW Partner Steven A. Torres to Present at the Waste Conversion Technology Conference  
on “Environmental & Regulatory Planning & Compliance in Project Development”**

Boston, MA – September 22, 2014 – Pannone Lopes Devereaux & West LLC ([PLDW](#)) Partner Steven A. Torres, a member of the firm’s Municipal Infrastructure Team and a leading authority on cutting edge projects in the areas of public-private partnerships (P3), solid waste, advance bio-mass technologies and renewable energy, will lead a discussion on “Environmental & Regulatory Planning & Compliance in Project Development” at the Waste Conversion Technology Conference & Trade Show (WCTC), being held September 24-26, 2014, in Denver, CO. The conference provides a forum for informing the public and private sectors of the economic and environmental significance of converting waste materials to alternative fuels such as biodiesel and ethanol, as well as renewable electric energy. Attorney Torres is scheduled to speak on Friday, Sept. 25, from 8 a.m. to 10 a.m. For further information on the event, visit [WCTC Conference & Trade Show](#).

Attorney Torres is a highly skilled and experienced municipal construction and public-private partnership project advisor and legal counsel who has managed in excess of \$1 billion in project value in the areas of utilities, water and wastewater, transportation, building construction and renewable energy. He concentrates his practice on advising clients on a wide range of public procurement and contracting issues in the areas of water, wastewater, solid waste, building construction, environmental permitting, construction and environmental litigation and renewable energy. Attorney Torres is Vice-President of the Design Build Institute of America (DBIA) North East Chapter, and a member of DBIA's National Water Markets Committee. He also serves as legal counsel to the Waste Conversion Technology Association. He is a frequent lecturer at regional, national and international professional

trade associations, and is a published author in the areas of municipal law, constitutional law, labor law, international law and construction and renewable energy.
